Integration Bee

- The SU gave two options: either go via Expense 365 or donate to the SU - The donation was made to the SU.
- The donation has been made and we have receipt of the donation.

The screenshot shows a 'Thank-you' page with the following text: 'Thank-you for making a donation to The SU University of Bath. You will shortly receive an email receipt addressed to vishalgupta20027997@gmail.com.' Below this is a purple button that says '<< Go back to the donation page'. The bottom part of the screenshot shows an email notification from 'The SU Bath Fundraising Team' with the subject 'NOTIFICATION: Donation receipt'. The email content reads: 'Dear Vishal Gupta, You have made a donation to The SU University of Bath at https://fundraising.thesubath.com/donation/the-su-university-of-bath, for £120.00 on Thu, February 29 2024, 11:53 AM. Gift Aid will not be reclaimed on this donation. Keep this email as receipt of your donation.'

Advertisement of Committee Positions

- *Ruth has volunteered to copy-paste and post some role descriptions / advertisements in the WhatsApp chat (and caption for Instagram).*
- *Someone needs to set up a LinkTree for the BUMS Instagram Account and add a link to the committee nominations.*
- *Everyone write a sentence or two about why they enjoy doing the role they do.*
- **The deadline for this is around the 10th March so this should be our top priority and should be completed this weekend.**

Questionnaire

- We would like to develop another questionnaire to get general feedback on people's experience in BUMS. The more people we can get to fill this out, the better,
- *Cameron is happy to take this on, and can use the template from last year and add some new questions. All society members to suggest questions to add. Should be advertised as part of Matt's first newsletter.*

Socials

Pub Lecture

- We have a response from the lecturer (Alastair Craw), and he would like further guidance on what kind of topic to do for the pub lecture.

- He is suggesting that we do this on a Tuesday. *Braley to confirm a time for this and (hopefully a topic). Braley will also email Brewhouse to confirm the booking.*
- **We need to advertise this hard.** *Do the same sign-up sheet on the SU in order to "sell" the tickets. Cameron is happy to set this up to go online tomorrow at 1pm.*
- *Yuki will advertise the pub lecture today and make sure it gets pushed to WhatsApp as well.*

BUMS X ChessSoc

- Current status: in communication and ChessSoc are open to collaboration. We just want to put a "mathsy" spin on it.
- Idea 1: Invite the lecturers to be "challengers".
- *Work with the ChessSoc to finalise an idea for what to do in this social.*

Pub Quiz

- *Start a page on Notion where we can add questions to a question bank.*
- Work off of the template featured below (which also contains a question bank):

[MockUpQuiz.pptm](#)

- We would like to do it in a pub such as The Canon (with a microphone and powerpoints etc.).

Newsletter

- *Matt to do the first newsletter soon - to post in chat what the regular day of the week for this is.*
