

THE STUDENT'S UNION AT BATH

MOVEMBER 2024

Movember Committee
Roles and Responsibilities

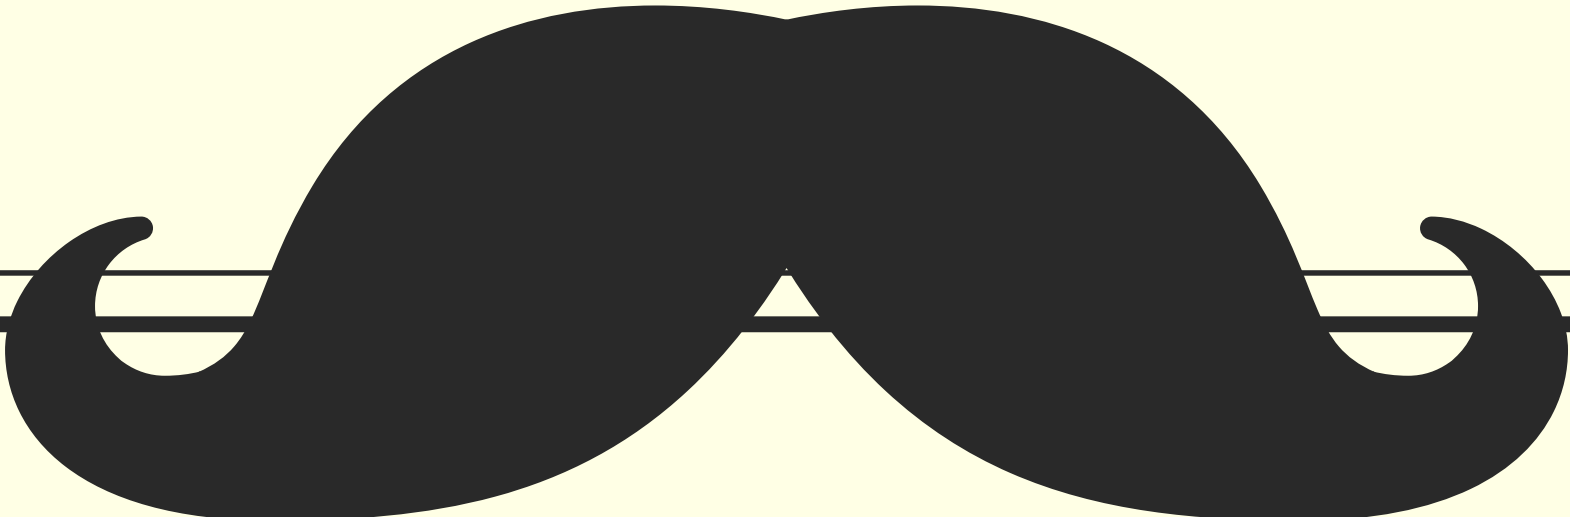

WHAT IS THE MOVEMBER COMMITTEE?

The Movember Committee is a group of students representing a variety of student groups to help promote Movember within their groups and the wider student community.

Committee members will help to organise and encourage various fundraising events within their groups throughout the month of November, as well as assist on SU-led projects.

Members should be motivated, enthusiastic and most importantly, full of fun! Movember is all about having a good time whilst raising funds and awareness and the committee should embody this.

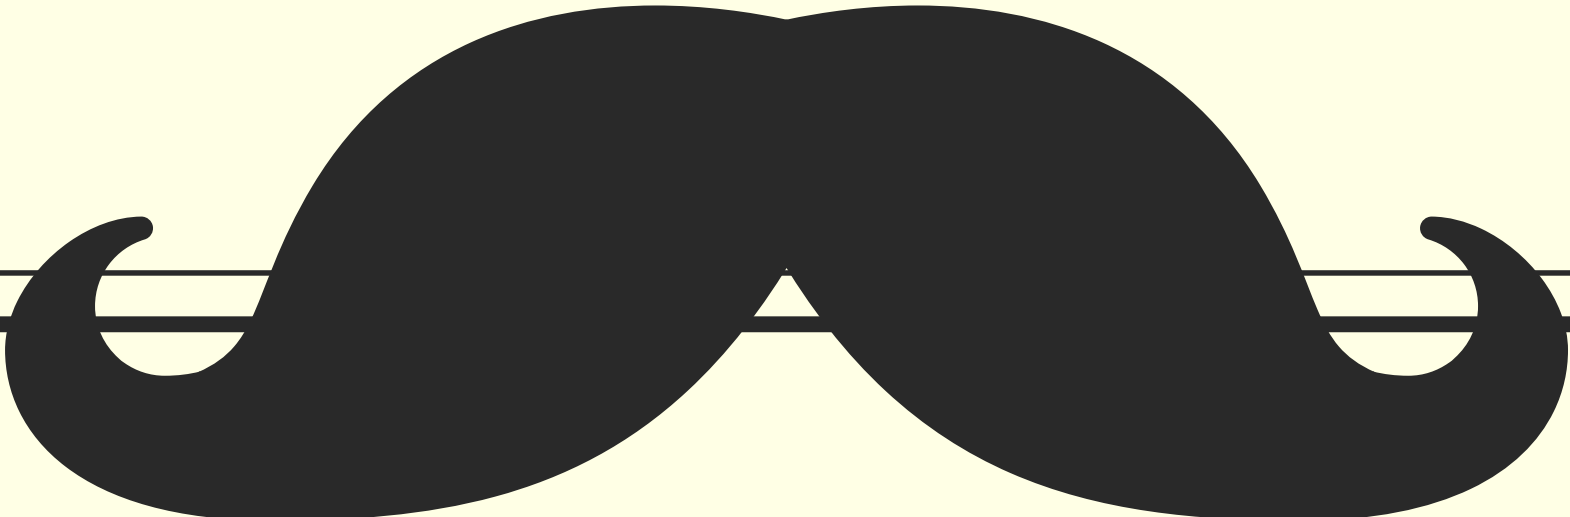

COMMITTEE ROLES

General Committee Member

General Committee Members work hard to ensure that their group is maximising their full Movember potential. From encouraging members to do individual fundraisers, to helping their group to organise their own Movember event; these members are vital to ensure that their own groups are fully involved with Movember.

General Committee Members will also share thoughts and ideas with the committee to ensure that all groups are maximising their potential to ensure Bath's Movember Campaign is our most successful yet!

COMMITTEE ROLES

Naked Calendar Project Lead

This year the SU at Bath are putting together a special Sports club 'Nearly' Naked Calendar to raise funds for Movember. The project leads will work closely with the Fundraising Coordinator to make this project come to life.

Tasks include organising the sports clubs, collecting consent forms, ensuring smooth running of the picture day, helping with design of the final product, promoting sales and ordering calendars.

Two Positions Available

COMMITTEE ROLES

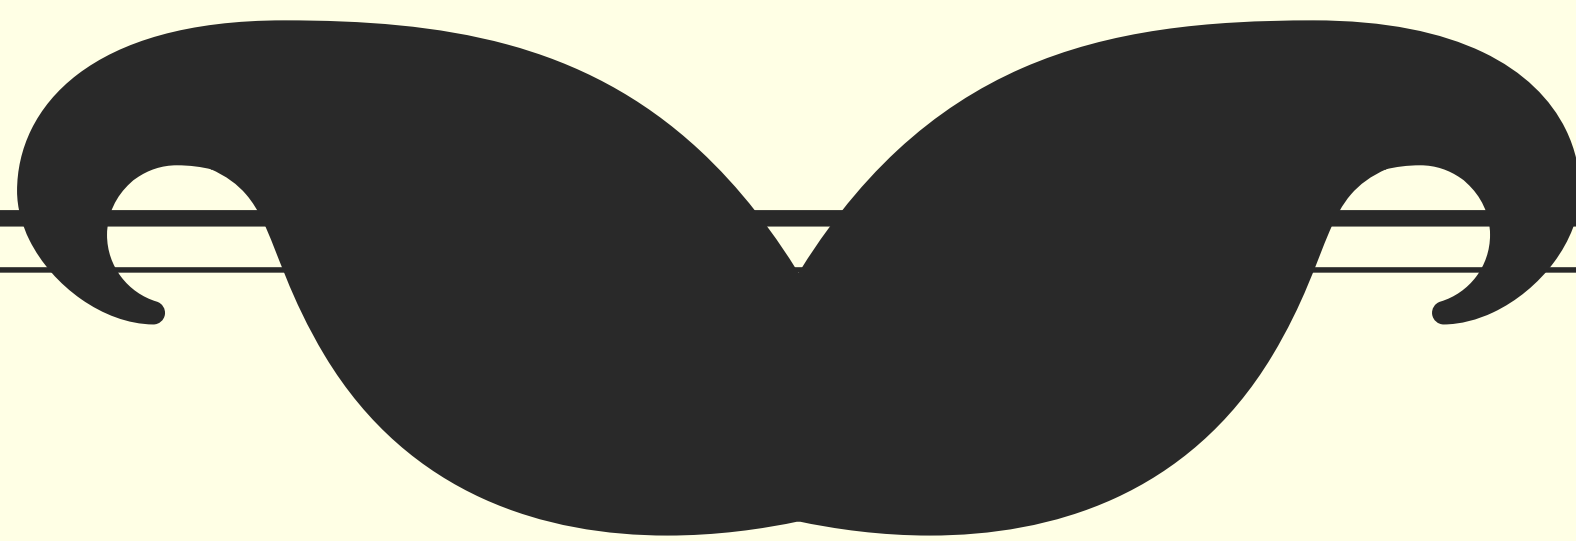

Big Shave Off Event Lead

The Big Shave Off is the final event in the Movember calendar. Hosted during the last happy hour of the month, the shave off is an auction-style event where students can bid to shave off their friends' fantastic facial hair!

This event is surprisingly really easy to organise. Tasks include arranging a barber to attend for safety reasons, organising a host and promoting the event!

One/Two Positions Available

WHY JOIN THE COMMITTEE?

Looks good on the CV

Support a wonderful charity!

Build leadership, teamwork,
organisational and management
skills

Help lead Bath's most
successful Movember campaign!
